# EXTRACTS FROM RULES AND REGULATIONS

The standard of quality covering Grade "A" bulls under the Saskatchewan Bull Grading Policy shall be the minimum requirement of this Bull Show and Sale.

Remaining rules and regulations are contained in the prize list for the Show and Sale.

Stock must be in the stalls not later than the evening of April 10. All animals will be inspected and only animals qualifying under the rules and regulations will be allowed in the Show and Sale. Animals declared to be rejects will be removed from the Livestock Pavilion.

The management of the Show and Sale will be under the control of the Livestock Committee of the Saskatoon Industrial Exhibition Limited.

The pedigree, with the transfer to the purchaser duly registered, will be sent to the said purchaser, after the sale, and for this service the Manager will deduct the necessary transfer fee for each animal from the amount due vendor as proceeds of the sale.

There will be no upset price for any animal offered. The Management Committee, however, reserves the right to protect any contributor's entry from being sacrificed by permitting the owner to make one protective bid.

Any animal, properly entered for this sale, and not sold in the ring if offered for sale, may be sold privately, if the approval of the Management Committee of the sale is obtained, and upon payment of the commission fee of 5%.

Contributors will be held responsible for any erroneous information respecting animals entered that may appear in the printed catalogue of any sale held by this Exhibition, unless written notice of such error is filed with the Manager one week prior to the commencement of such sale.

Every animal offered must be in sound health, free from physical defects.

**Tuberculin Test**—Animals will only be admitted from fully accredited herds, or from herds dealt with under the supervision of the Dominion Health of Animals Branch, which have passed a satisfactory tuberculin test, and those which have passed a satisfactory tuberculin test within sixty days of the opening of the Show and Sale.

Contributors guarantee to the purchasers that animals entered in the Show and Sale conform to the following health requirements as set up by the Canada Department of Agriculture.

## BRUCELLOSIS

All cattle six months of age or over will be required to pass a negative test, conducted by a veterinarian employed either full time or part time by the Health of Animals Division, within 30 days of the opening day of the show, except: (a) Cattle originating in negative herds in Brucellosis Control Areas or from Brucellosis Free Listed Herds in good standing, or (b) Officially vaccinated cattle under 30 months of age. Exhibitors will be required to produce the necessary certificates. Certificates will be supplied on request from any Health of Animals Branch office.

It is believed that in selling cattle of this age the purchaser is more responsible for their future usefulness than the seller and that he should be willing to relieve the breeder of all responsibility after they pass into his ownership. Every possible precaution will be taken to eliminate animals with any known defects, but the entire offering will be sold at the halter and no further guarantee of any kind will be given with them unless individual consignors wish to do so for their particular cattle by so stating when their animals are in the ring.

All animals must be sprayed with Lindane upon their arrival at the Livestock Pavilion.

## BRED OR OPEN HEIFER CLASSES

Entries in these classes will have to comply with the rules and regulations governing the Bull Show and Sale.

Animals entered must be of a quality comparable to the minimum requirements of the Bull Show. Animals not measuring up to this standard when inspected on arrival, will not be permitted in the Show and Sale.

### BIDDING

There shall be no by-bidding by the owner of an animal or any one authorized by him. Statutory declaration may be required from any buyer or seller to the effect that any purchase or sale is bona fide and that there has been no by-bidding in connection therewith.

If any dispute arises between two or more bidders it shall be settled by the animal again being put up and resold. The decision of the Auctioneer shall be final in all cases.

### PURCHASERS PLEASE NOTE

In case typographical or other errors are discovered the Auctioneer will announce corrections and a memorandum of such corrections will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to the Auctioneer's announcements.

Terms of the Sale are cash. No animal shall be removed from the premises until a signed receipt and release order signed by the Secretary of the Exhibition is presented to the Barn superintendent.

Immediately after each purchase is declared the risk of the animal shall be exclusively with the purchaser.

It is to be clearly understood that the Exhibition is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does the Exhibition assume any financial obligations to collect or enforce collection of any moneys between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and seller themselves.

The management Committee reserves the right to decide any point not covered by the rules for the proper operation of the Show and Sale.

Every person who contributes an animal to the Show and Sale and everyone who bids at the Sale by so doing agrees to the foregoing terms and conditions.

### ORDER OF SALE

The order of sale of the different breeds will be as follows: Shorthorns, Aberdeen-Angus, Herefords.

The order of sale within each breed will be as follows: BULLS: Shorthorns—Class 16, Class 18, Class 19, Class 15. Aberdeen-Angus—Class 2, Class 4, Class 5, Class 1. Herefords—Class 9, Class 11, Class 12, Class 8. FEMALES: Shorthorns—Class 30, Class 31. Aberdeen-Angus—Class 26, Class 27. Herefords—Class 28, Class 29. Animals will be catalogued and sold in order of date of birth within each class, except that the Grand Champion and Reserve Grand Champion Bulls may be sold within their respective breeds at the discretion of the contributors or their agents.

Prize money in Classes 1, 2, 4, 5, 8, 9, 11, 12, 15, 16, 18 and 19 will be: first, \$25; second, \$15; third, \$10.

First, second and third prize ribbons will be given in Classes 22, 23, 24, 26, 27, 28, 29, 30 and 31.

### SASKATOON EXHIBITION TROPHIES

The Saskatoon Exhibition will donate trophies to be presented to the contributors of the Grand Champion Bulls of the Aberdeen-Angus, Hereford and Shorthorn breeds. The trophies to become the property of the contributors.

### NOTE

The following abbreviations are used in this catalogue:

A.H.P.—Accredited Herd Plan

L.H.—Bang's Free Listed Herd

R.A.P.—Restricted Area Plan

C.V.—Calfhood Vaccinated

B.C.A.—Brucellosis Control Area

Dam: Glenrossie Butterfly	{Sire: Phopachy Diplomat -300190- (352892)
-394988-	}Dam: Glenburn Butterfly K 3rd -371113-

Also see Lot 101. Both of these bulls are sired by one of the best sons of Tommy Hamilton's imported Pittodrie Fortune, a \$10,000 herd sire from Perth, and out of a top American Sni-A-Bar cow. The "Butterflies" and the "Fairy Princesses" are the top producing cow families in our herd. This entry is a very good headed, strong topped bull.

## **Williams Shorthorns**

**Herd Sires: KILLEARN CYRIL 30th AAA  
 and UPPERMILL PALMER (Imp)**

We have six entries for the Saskatoon National Sale, April 12 and 13.

Five bulls and one female all sired by Killearn Cyril 30th AAA. These bulls, guaranteed breeders, were out all winter and are being offered in natural condition.

The female, Lady Cyril 2nd, is a great brood cow prospect and safe in calf. Her dam, Norseman's Lady by Norseman 117th, is out of a full sister to our old Perfect Blossom. This heifer will be a good investment at any price.

The progeny of Cyril 30th were not defeated in the Get-of-Sire Class in 1960. You can buy with Confidence.

We invite your inspection of our FUTURITY SHOW entries. These calves were all weaned in October. Among them you will find three heifer calves and one bull calf sired by Uppermill Palmer (imp) and, mostly, out of Cyril Dams.

Herd Is Classified.

Visitors Always Welcome.

We have three heifers (due to calve between now and June) for sale at the farm. There was no class to enter these in this Saskatoon Sale.

Fifth Annual

# Shorthorn Futurity Show

**STAGED BY:**

**THE SASKATOON EXHIBITION**

**IN CO-OPERATION WITH:**

**SASKATCHEWAN SHORTHORN ASSOCIATION**

**DATE:**

This Show will be held in conjunction with the Saskatoon Exhibition Interprovincial Bull Show and Sale, April 12, 13, 1961.

**PURPOSE:**

The purpose of the Show is to produce better breeders of Shorthorn cattle. It is hoped to achieve this objective by stimulating cattlemen, both old and young, to produce better young calves through a process of selected breeding, fitting and attention to growing characteristics. By assembling these calves at a central location in the province, it is possible to have many farmers and any others interested view and study what purebred Shorthorn breeders are producing in the line of quality breeding stock. Any breeder of purebred Shorthorn cattle is eligible to enter. To permit proper showing, four classes for bulls and four classes for heifers are provided as well as a class for three animals the get of one sire.

**CONTINUATION CLASSES:**

Shorthorn breeders are asked to note that two continuation classes are being offered this year—one for males and one for females. Animals to be eligible for the continuation classes must have been shown, without change of ownership, at the 1960 Futurity Show.

# **1961**
